For over 80 years, **El Nido Family Centers** has been helping those in Los Angeles County who are most in need. Last year, El Nido assisted 15,600 children, youth and their family members who represent the diversity of Los Angeles, but come from households at or near the poverty level. El Nido is based in 11 neighborhood centers in south Los Angeles, Compton, Carson, Pacoima, Mission Hills, Palmdale and the Pico Corridor of Santa Monica. Our staff also reach out and go where families who need us are - at schools, housing projects, health and community centers and in their homes.
